National Maternity Voices CIC Structure

## **Membership**

At the inaugural directors meeting on 7/11/19 it was resolved that core committee members of NMV be invited to join as members of the CIC in addition to the directors.

At a directors meeting on 30/7/20 it was resolved that all current chairs of Maternity Voices Partnerships in England be invited to join as members of the CIC. It was agreed that once individuals ceased to be chairs their membership would normally also cease and the new chair would become eligible. Former chairs can be members if working for National Maternity Voices.

Members will be asked to agree to contribute up to £1 if the company is wound up, uphold the [purpose and values of NMV](#) as set out on the website and submit their name, contact details, role, and MVP they chair or used to chair.

## **Workforce**

The functions of the former 'committee' will be divided into the workforce (including the directors) and the council. Operational decisions will be made by the directors and the business of the CIC will be undertaken by the workers they contract to undertake it. In general NMV will seek to recruit from the Maternity Voices community rather than externally. Those directors that are not current MVP chairs will take steps to stay in touch with the wider MVP community. NMV aspires to reflect the diversity of maternity service users amongst its workforce. In particular, NMV will seek to recruit ethnic minority directors. NMV aspires to pay all our workers for all the work that they do. In the absence of funds, payments will be made in a way that is both practical and reasonably equitable.

## **National Maternity Voices Council**

NMV wishes to ensure that it hears about its member chairs' concerns and those of the wider MVP community. We run social media groups and accounts, issue newsletters, survey our members and invite comment on specific topics from time to time. In order to strengthen this, we will invite members to represent the membership on a council which will meet bimonthly. The purpose of this council will be as a co-production forum to inform and review the work of National Maternity Voices CIC. At least 2 Directors will attend each council meeting. A remunerated secretary will manage the administration of council meetings.

The council will be chaired by a willing member elected either by the membership or if impractical by the other council members. The Chair of council will undertake representative work for MVPs at national level e.g. Better Births Stakeholder council and be remunerated for that. In addition time spent preparing and chairing meetings will be remunerated. (Total circa 1 day/month – other duties of the current chair will remain with the directors/workforce.) Other council members will be asked to attend council meetings voluntarily, though any project work for NMV outside of meetings should be remunerated. All meetings are normally virtual and should expenses arise, they will be reimbursed.

Any member (a current or recently retired chair) wishing to stand for council should ask a current chair member to nominate them. All bar the reserved place should have more than one year's experience of chairing. If there are more nominees than spaces in any category then there will be an election based on one member one vote for each category:

- a) The most popular candidate for chair will be appointed.
- b) 2 candidates from the Nova Network (i.e. Black, Asian or minority ethnic chairs) will be appointed.
- c) 1 MVP chair appointed within the last year.
- d) One member from each NHS Region (ideally in addition to above but certainly if none of the above from that Region).

Only those members of the CIC who are current chairs or co-chairs of MVPs will be able to vote. Only members from the Nova Network will vote for category b.

If there are fewer than 11 volunteers, or there are too few to meet one of these requirements, ongoing efforts will be made to recruit and co-opt member chairs with an appropriate background in line with the above criteria. The council may decide to co-opt associate members at any time, subject to the meetings remaining a workable size.

Changes to the personnel on the council will happen annually at the general meeting with each person serving between 2 and 6 years with re-appointment required after 3 years. (Those of the current committee appointed to council will have their term reckoned from when they joined the committee.)

### **Annual General Meeting**

The inaugural general meeting of National Maternity Voices CIC will take place in early October 2020. Thereafter general meetings will be annual unless an extraordinary meeting is called. At the meeting the directors will present a report and accounts of activity in the year April to the previous March. The new council members will be appointed with a view to the first Council meeting taking place in late November. There will be an opportunity for members to submit questions to the directors. We will aim for any MVP member to be able to observe, but only registered members will be entitled to vote on any resolutions.
